Education and Funding Opportunities: US Resources, SIOG, and ASCO

Arash Naeim, MD PhD
University of California Los Angeles

Hyman B. Muss, MD
University of North Carolina – Chapel Hill
Education and Funding Opportunities
Education - Training

• American Federation for Aging Research
  ➢ Medical Student Training in Aging Research (MSTAR)

• Combined Geriatric-Oncology Fellowship
  ➢ Initiated via Hartford/ASCO grant (10 programs)
  ➢ Sequential versus Integrated
  ➢ Standing versus Ad-Hoc
  ➢ Clinical versus Research
Professional Societies
Scientific & Education

• AACR
  ➢ Clinical Research in the Elderly Subcommittee
  ➢ Aging and Cancer: Can We Do One Without the Other?
• AGS & GSA
  ➢ Special Interests Group
  ➢ Concept submissions to annual programs
  ➢ Pre-symposiums
• ASH
  ➢ Dedicated web page to Geriatric-Hematology with links to Education Book material
Other Educational Initiatives

• Medscape
• UpToDate
• CARG
Non ASCO US

- NIA
- NCI
- Hartford
- Reynolds grant
- AFAR
- CARG
- AGS and GSA special interest gps
- POGOe
NIH/NIA RFA-AG-12-002 (GEMSSTAR)
Grants for Early Medical/Surgical Specialists’ Transition to Aging Research (R03)

• Last year of fellowship or young faculty
• $50,000/yr for 2 year
• T. Franklin Williams Scholars Program
  ➢ Matches GEMSSTAR with an additional $50,000
  ➢ ½ from Association of Specialty Professors
  ➢ ½ AGS Foundation for Health in Aging
• Jahnigen Career Development Scholars Awards Program
  ➢ Matches GEMSSTAR with and additional $100,000
  ➢ ¼ from subspecialty society, ¼ from Hartford Foundation
  ➢ ½ from sponsoring institution
Patient-Centered Outcomes Research Institute (PCORI) via GAO

- Assesses the benefits and harms of preventive, diagnostic, therapeutic, or health delivery system interventions to inform decision making, highlighting comparisons and outcomes that matter to people;
- Is inclusive of an individual’s preferences, autonomy and needs, focusing on outcomes that people notice and care about such as survival, function, symptoms, and health-related quality of life;
- Incorporates a wide variety of settings and diversity of participants to address individual differences and barriers to implementation and dissemination; and
- Investigates (or may investigate) optimizing outcomes while addressing burden to individuals, resources, and other stakeholder perspectives.
Other Funding Opportunities

• ASP-ASH Geriatric Hematology Research Award
• American Cancer Society Cancer Control Career Development Awards
• The Robert Wood Johnson Scholars in Health Policy Research Program
• VA Research Career Development Program - Entry Level Program (CDA-1)
• Doris Duke Charitable Foundation's Clinical Scientist Development Award
• National Institutes of Health
  ➢ Mentored Patient-Oriented Research Career Development Award (K23)
  ➢ Paul B. Beeson Career Development Awards in Aging (K08 & K23)
  ➢ Translational Research at the Aging/Cancer Interface (TRACI) (R01)
ASCO

• ASCO university
• Annual Meeting
• Cancer.net (for patients)
• Curriculum
• Ger Onc Exp team
• Conquer Cancer Foundation (Grants)

Geriatric Oncology

- Cancer Care in Older Patients
  - Aging and Ca, assessment, physiology, pharmacology
- Acute Leukemia
- Non-Hodgkin Lymphoma
- Breast Cancer
- Prostate Cancer
- Colorectal Cancer
Selected Product Detail

Geriatric Oncology Online Curriculum

Member: $65.00
Non Member: $78.00

Selected Quantity:

Full Description
This online Curriculum includes access to 6 eLearning activities on ASCO University. All address the unique issues relating to the cancer care of older patients. All activities include a self-assessment with answer rationales and references, as well as slide presentations delivered by expert faculty. Slide presentations also include reference links and audio commentary. Titles in this Curriculum are:

- Cancer Care for Older People
- Breast Cancer in Older People
- Prostate Cancer in Older People
- Colorectal Cancer in Older People
- non-Hodgkin Lymphoma in Older People
- Acute Leukemia in Older People
ASCO Annual Meeting

• Geriatric Oncology Track
  ➢ Educational Sessions
  ➢ Special Sessions
  ➢ Oral and Poster Presentations
• B.J. Kennedy Award
• Geriatric Oncology Retreat

Full Description

This ASCO University® module is designed to provide instruction in the unique treatment and management issues in the area of geriatric care. This interactive module consists of:

• 23 post-assessment questions with reference links and answer rationales
• 4 topic presentations with interspersed questions and audio commentary
• Links to key references and resources that are relevant to the slide content
• Comprehensive Reference List with active links to the article, abstract, or website
• Helpful resources to use with patients from Cancer.Net
Thank you!
