ERRATUM - SIOG 2016 Final programme

Page 8

SIOG Membership
Please note that the name of Stuart Lichtman (US) is missing from the list of the 15- year SIOG members.

Page 12

Taskforces
Please note that it is the manuscript on Bone protection in older patients with cancer which was accepted for publication in Cancer Treatment Reviews and NOT the one on Anti-HER2 targeted treatments in the Elderly with Breast Cancer.

The manuscript on Prostate cancer in senior adults (Update) was submitted to the European Urology Journal.
