

**PRELIMINARY SCIENTIFIC PROGRAMME**

4th November			
	Room 1 Plenary	Room 3+4	Room 5&6
08:30 - 09:00	Opening address and introduction		
09:00 - 09:30	Rapid Fire Updates in Med/Haematology Oncology, Radiation, Surgery, Geriatrics		
09:30 - 10:30	Special session on SIOG Emerging Priorities		
10:30 - 11:00	Poster Viewing and Coffee Break		
11:00 - 12:00	Multi-Disciplinary Team: Breast	Patient/Advocate/Caregiver Involvement Engaging Patient Advocates in Geriatric Oncology Research	GERIATRIC ASSESSMENT WORKSHOP 11:00 - 12:30
12:00 - 12:30	Poster Viewing and lunch break		
12:30 - 13:30	Industry Symposia (TBC)	Poster Viewing and lunch break	
13:30 - 14:00	Poster Viewing and lunch break		
14:00 - 15:00	Oral Abstracts Track 1 (Solid)	Oral Abstracts Track 2 (Haematology & Basic)	
15:00 - 16:00	Peri-operative geriatric co-management	Young SIOG Session: Technology	
16:00 - 16:30	Poster Viewing and Coffee Break		
16:30 - 17:30	Debate: Prehabilitation should be offered to all older patients undergoing major surgery for cancer		
17:30 - 19:00	Poster Welcome Reception		

5th November			
	Room 1 Plenary	Room 3+4	Room 5&6
08:30 - 09:30	Trial Updates : GOSAFE, Bridging the Age Gap and others	Multi-Disciplinary Team: Central Nervous System	
09:30 - 10:30	Joint SIOG/ESMO session		
10:30 - 11:00	Poster Viewing and Coffee Break		
11:00 - 12:00	Multi-Disciplinary Team: Gastro Intestinal	Multi-Disciplinary Team: Head and Neck	GERIATRIC ASSESSMENT WORKSHOP 11:00 - 12:30
12:00 - 12:30	Poster Viewing and lunch break		
12:30 - 13:30	Janssen Symposium	Industry Symposium (TBC)	Poster Viewing and lunch break
13:30 - 14:00	Poster Viewing and lunch break		
14:00 - 15:00	Joint SIOG/ESSO session New paradigms for organ preservation		
15:00 - 16:00	Precision Medicine	Oral Abstracts Track 4 (Geriatric Assessment)	
16:00 - 16:30	Poster Viewing and Coffee Break		
16:00 - 18:00	16:00 - 18:00 (TBC) SIOG General Assembly		

6th November		
	Room 1 Plenary	Room 3+4
08:30 - 09:00	Special 20th Anniversary: The History of Geriatric Oncology	
09:00 - 10:00	Joint SIOG/NAH/CANO/EONS session Educating, Empowering, and Enacting Change	Multi-Disciplinary Team: Lung
10:00 - 10:30	Poster Viewing and Coffee Break	
10:30 - 11:30	Joint SIOG/MASCC session Palliative	Multi-Disciplinary Team: Urology
11:30 - 12:30	Improving cancer screening, care and treatment for people with dementia and their caregivers	Cellular Therapies, from Past to Future
12:30 - 13:00	Poster Viewing and lunch break	
13:00 - 14:00	Industry Symposia (TBC)	
14:00 - 14:30	Poster Viewing and lunch break	
14:30 - 15:30	Oral abstracts Track 3 (Supportive & Palliative)	MDT Haematology/Lymphoma Patient-reported outcome measurements (PROMs) in older adults with haematological malignancies*
15:30 - 16:00	SIOG Presidential Session and Awards	
16:00 - 17:00	Debate: Trial data versus real-life data in older adults with cancer followed by a plenary on How to improve your study design in older adults with cancer
